

Young Learners Preschool Summer Camp

Especially
for 4-6
year olds

Monday—Thursday 9:30am—1:00pm

\$140.00 per week

Week 1 Kids in the Kitchen : June 25th—28th

Your child will become a junior chef! What's on the menu? A generous portion of learning opportunities served up with a batch of fun. They will savor hands-on cooking activities, perfectly measured for them. They will learn about food, measuring and making yummy treats. Each child will go home with their own personal cookbook at the end of the week! Bon Appetite!

Week 3 Classic Camp : July 16th—19th

Pitch the tent and load up that backpack! It's time for some camping-related learning fun! Sing camp songs, play camping games, do nature-themed art projects and other camp activities any little one is sure to enjoy!

Week 5 Kids in the Kitchen : July 30th—August 2nd

Back by popular demand! Kids in the Kitchen part two! An addition week of our most popular camp! They will savor hands-on cooking activities, perfectly measured for them. They will learn about food, measuring and making yummy treats. Each child will go home with their own personal cookbook at the end of the week!

Students need to bring a sack lunch. Class size is limited to 20 and will be staffed by two teachers.

Each class will include: Arts and Crafts, music, story time and play time in the gym.

We can no longer accommodate drop-ins.

Week 2 Construction Zone : July 9th—12th

Put your hard hat and safety goggles on because we are going to dig, mix, build and tear down! Your little builder can dress up in construction safety clothes and create buildings, roads, and whole cities with many unique building materials.

Week 4 Out of this world : July 23rd—26th

5-4-3-2-1 BLAST OFF! Your child will be out-of-this-world for these fun activities! Explore the sun, moon, stars and planets. We will build a rocket-ship and take a pretend journey to outer space. Your young astronaut will know they have come to the right place with this liftoff into lunar learning.

Week 6 Super Scientist : August 6th—9th

Bring out the super scientist in your child as they explore in this hands-on, experimental "learning lab." It's a week full of creative science and learning sure to be the perfect concoction!

Week 7 Imagination Station : August 13th—16th

Does your child like art projects? Do they like to dance or make music? Join us for a week that is all about their own creativity and expression. We will make musical instruments, dance and have fun creating priceless works of art!
